Connecting organizations to the resources available at UCI

You know California’s largest university to be a powerhouse for technical, management and leadership, and business optimization education. With the resources of the world’s seventh largest economy behind it, The University of California is a world class research and teaching institution.

What you may not realize is that the University can provide you, the human resources/training professional, with everyday resources to enrich the professional life of your employees, and to help you recruit new talent.

UCI Corporate Training is your portal to all that your University has to offer. Let us connect to all the services and talent you need to succeed.

Human Resources Support
• Internships and Candidate Recruitment
• Consultation for your Employee Onboarding Program
• Online training portals for employee education
• Learning and Development Strategies
• Event / Meeting Space

Training and Education
• Onsite and Online Training
• Curriculum Development and Design
• Enterprise-wide Solutions

Community Involvement
• Seminars and Programs
• Teaching Opportunities
• Advisory Board Participation

Advanced Degrees
• Master’s Degrees from UC Irvine
• Articulation agreements to other colleges and universities

“I would highly recommend this partnership to other companies looking to increase their employees’ knowledge and skills.”
Erin Butsch, Parker Aerospace

“Working with UC Irvine was great because they understood our needs.”
Bob Condie, Western Digital

We can help. Connect with us today!
Have employees to train?

Our new Corporate Learning Consortium is designed to give all companies access to the best and most sought after topics – even if you only have a handful of employees.

These high impact, immersive learning experiences, delivered in 1-3 days, will inspire your employees to integrate new tools and concepts into your organization the very next day.

Topics include Leadership, Project Management, Business Communication, Innovation, Presentation Skills and more.

Benefits

• Collaborate and share best practices from diverse industries
• Learn from top-tier subject matter experts
• Select individual topics that align with employee development tools
