Bring Global Talent To Your Organization

INTERNSHIP OPPORTUNITIES WITH INTERNATIONAL STUDENTS

UCI Extension has successfully connected the Southern California business community with global talent for nearly 20 years. International students from over 45 countries are guided by expert program advisors in locating internships that match their academic achievements to practical work experience in a real world setting.

WHY DO COMPANIES HOST AN INTERNATIONAL INTERN?

- Increase productivity through an unpaid intern
- Work with experienced, reliable, and motivated young professionals
- Establish international contacts
- Bring an international perspective to your business and broaden the horizons of your staff

Internship Opportunities with International Students

ABOUT THE INTERNSHIP PROGRAM

- 10-week unpaid positions for 20 – 35 hours per week
- Students undergo a structured application process with a program advisor
- Students are eligible upon completion of at least one 3-month post-graduate level certificate program
- Students earn academic credit by submitting a final report to their program advisor
- Program advisors work closely with companies to ensure the best match for current and future business needs

ABOUT THE STUDENTS

Our students seek this opportunity for their future success. Learning the American way of doing business in their field and furthering their cultural growth and development provides an invaluable experience. They receive practical training focused in one or more of the following areas:

- Business Administration
- International Business Operations & Management
- International Finance
- International Business Law
- Global Human Resources Management
- Marketing
- Media & Global Communications
- International Tourism & Hotel Management
- Project Management
- Data Science & Predictive Analytics for Business Professionals
- Communications & Embedded Systems Design Engineering
